

Termax Annual Golf Tournament – Media Release 9/21/2018

On September 13th, we held our annual golf tournament raising funds for CKMC (Cancer Kiss My Cooley) a local charity that helps families build memories along with relieving financial burdens while living with pediatric brain tumors. Termax employees, clients, and suppliers were able to enjoy a round of golf under the sun and fundraise over \$34,000.00 for CKMC. This will be our ninth official event hosted to raise money for charity and we are very proud to continue this tradition for years to come!

To read more about the organization please check out their website at <http://ckmc.org/>.
